

THE COACHING & STUDENT SUPPORT HUB

PIONEERS

The way college should be: coaches with space to mentor and guide.

For more than 114 years, SMC has steadfastly delivered on its promise to students and Spartanburg by investing in excellent education. Athletics at SMC drives belonging and retention. When student-athletes have dedicated coaching support, they thrive both on the field and in the classroom - and they stay to graduate.

Dedicated offices and meeting spaces let coaches meet one-on-one and support students when it matters most. Your support creates a visible, open-door hub that improves communication, academic check-ins, recruiting, and student-athlete retention. When help is close at hand, student-athletes thrive.

Your Support Strengthens Coaching Impact

Coaches do more than develop athletes—they mentor whole students. Academic advising, mental health check-ins, career guidance, and personal support all happen in coaching spaces. Accessible, professional offices ensure coaches can be present for student-athletes when they need it most. Your investment provides:

- ❖ Dedicated coaching offices for one-on-one meetings
- ❖ Professional meeting spaces for team gatherings
- ❖ Accessible hub design that encourages open-door culture
- ❖ Film room for video review and skill development
- ❖ Recruiting spaces that showcase program professionalism

WHAT'S AT STAKE

If we invest: coaches have the space to support student-athletes holistically—improving communication, academic success, and retention through accessible, professional environments.

If we don't: limited coaching spaces restrict the mentorship and support that keep student-athletes engaged, academically on-track, and committed to SMC.

Make a Transformational Investment

Give Coaches the Space to Coach - and Care

Every space has the power to change a life. When you invest in coaching spaces, you're ensuring that every student-athlete has access to the mentorship, academic support, and personal guidance that shapes success far beyond the playing field.

Keeping the Promise at SMC means caring for the whole student-athlete - on the field and in the classroom. Your investment makes comprehensive support possible.
