

FACILITIES THAT ELEVATE EVERY TEAM

The way college should be: safe, modern, and game ready

Athletics at SMC is a proven driver of belonging and student retention. When student-athletes have the spaces they need, they stay, succeed, and graduate.

Practice and game facilities set the tone for performance and pride. Your support invests in upgraded fields, courts, locker rooms, and training areas so every team has a reliable, well-equipped home. Better spaces mean better reps, fewer interruptions, and a stronger home advantage - key to retaining student-athletes and competing for championships.

THE PROMISE**

THE CAMPAIGN FOR SPARTANBURG METHODIST COLLEGE

Your Support Elevates Performance

Quality facilities directly impact recruitment, retention, and competitive success. From game-ready surfaces to functional locker rooms and practice spaces—these investments ensure student-athletes can train safely and compete confidently. Your investment provides:

- ❖ Upgraded fields and courts with modern, reliable playing surfaces
- ❖ Well-equipped locker rooms and team spaces
- ❖ Improved training areas for skill development
- ❖ Enhanced game-day facilities that create home-field advantage
- ❖ Consistent practice access without weather or scheduling interruptions

WHAT'S AT STAKE

If we invest: student-athletes practice and compete in modern, reliable spaces that drive performance, retention, and competitive recruiting.

If we don't: outdated facilities and restricted practice time raise injury risk, erode team performance, and cost us recruits - making it harder to retain student-athletes and for SMC to keep its promise.
