

INVEST IN FACULTY WHO CHANGE TRAJECTORIES

The way college should be: taught by mentors, not just lecturers.

Since 1911, SMC has steadfastly delivered on its promise to students and Spartanburg by investing in excellent education. Your support equips dedicated faculty who pair academic rigor with personal mentorship—so students gain knowledge, judgment, and confidence.

We're investing in recruiting and developing exceptional faculty who change student trajectories through consistent guidance, mentored research, and individual attention that helps every student persist and succeed.

Your Support Enables

- ❖ Competitive recruitment and mentorship-focused development
- ❖ More student-faculty research and guided projects
- ❖ Consistent advising touchpoints that improve persistence
- ❖ Development support for faculty teaching excellence

WHAT'S AT STAKE

If we invest: students learn by doing, guided by supported faculty with programs and experiences aligned to real careers.

If we don't: limited faculty capacity and fewer mentorship opportunities make it harder for students to launch—and for SMC to keep its promise.

Make a Transformational Investment
